**Student Feedback on Current Curriculum**

The Savitribai Phule Pune University changed the syllabus in the academic year 2013-14. Therefore the college decided to take student feedback on the current syllabi. There are 15 Department in the college and the IQAC decided to choose 10 students from each class from each Department. The sample size for the feedback was 400. The data were collected with the help of structured questionnaire.

On the current curricula 96 % students revealed that the present curriculum of university fulfil the future needs to secure higher education. However 70 % students have suggested new courses like

**Arts Faculty:** Journalism, computer based skill oriented courses, foreign language courses in French and German. Post graduate courses in Geography and to start research centre in Hindi.

**Commerce Faculty:** Skill oriented courses in GST, Tally as well as Communication and skill development courses.

**Science:** Post Graduate courses in Chemistry, Physics and Mathematics.  
Under gradate courses in Botany, Nanotechnology, Advanced electronics, Astrophysics.  
Certificate courses like software development, Financial Mathematics.

Near about 71% students are ready to pay fees or expenses for such new courses. The curriculum is design at the University level but the suggestion on curricula from the students are welcomed and will be conveyed to university through BOS members during the syllabus discussion workshop / revision meetings.
