

Eternal and External cleanliness-2014-15

On 01/01/2015 for NSS Special winter camp Prof.V.N.Shelke delivered lecture on external and eternal cleaning, in his lecture he emphasised on inner cleanliness refers to cleanliness of thoughts and feelings. Removing negativities cleans up the mind; it is desirable to replace the negativities that have been rejected by their opposites. For example, hatred should be replaced by love; anger by forgiveness; and greed by contentment. Outer cleanliness is a good index of inner cleanliness. The principle of cleaning up is to retain less, to choose consciously what we retain, and organize neatly what we retain. On this occasion Principal Dr.A.P.Patil, Vice Principal Prof. R.H.Thakare, Vice Principal Smt.S.T.Wagh, NSS Programme officer Prof. S.L.Wagh were present.
