7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens.

The College undertakes numerous activities to sensitize the students and employees according to the constitutional obligation: Values, Rights, Duties, and responsibilities of the citizens. The college takes all possible initiatives to organize various events and programs to mould the students and staff to become responsible citizens by sensitizing them to its constitution. As the responsible citizens of the country, the students are motivated to participate in various college activities.

Mandatory Subject:

Human Rights, Cyber Security and Introduction to Constitution: For PG students, the courses are compulsory. The courses inculcate the human values and ethics and morals. Cyber security: In the era of IT, it teaches the security and ethics in the highly informative and technological world. The latter introduces the constitutional morality such equality, fraternity, liberty and justice.

Democracy, Election and Governance: The course observes the importance of the teaching of the democratic mechanisms and instruments of the institutions. teaching the constitutional obligations, values, rights, duties and responsibility, the college has taken the initiative of introducing the Constitution of India as an audit course to its students besides organizing sensitization and awareness programmes regarding Human Rights, Fundamental Rights, Legal Awareness, Traffic Awareness, Civil Safety, Values etc.

Responsibilities and Ethics in Research: Doctoral and Postgraduate students have the Research methodology subject as a part of the curriculum to acquaint with the ethics in research in connection with their contribution to society.

Environmental Awareness: Students have to complete Environment Awareness as a Compulsory subject. Environmental awareness in the Second Year of Degree Course. The subject constitutes the part of curricular teaching and evaluation to sensitize the students on preserving the ecosystem and environment.

Students are also sensitized to adopt green practices, conservation of natural resources, alternative energy sources, and renewable energy.

Celebration of National Days:

The college celebrates Republic Day (26th January), Maharashtra Day (1st May) and Independence Day (15th August). The celebration is attended by the Students, Teaching and Non-teaching Staff, Invitees, guests and other attendees. Flag hoisting with national anthem and oath of the national integrity is followed by the distribution of sweets is the regular decorum of the programme. It helps to inculcate patriotism among the students.

Celebration of Constitutional Day:

The Constitution Day is celebrated on 26th November every year to commemorate the official adoption of the constitution on 26th November 1949. On the occasion, the Principal reads the preamble of the Indian Constitution. The students and the staff remain present for the oath. They take the oath to observe the constitutional values. The main aim of the observation of the Constitution Day is to make the students aware of their constitutional values, rights and responsibilities towards the nation.
