

1.1.1. The Institution ensures effective curriculum delivery through a well-planned and documented process

Our college is affiliated with Savitribai Phule Pune University, Pune, and so we adhere to the curriculum prescribed by the university. At the start of each academic session, the college formulates an academic calendar that encompasses curricular, co-curricular, and extracurricular activities to ensure the efficient execution and delivery of the curriculum. We implement the following strategies to ensure the efficient delivery of the university curriculum at the college level.

- Faculty wise master timetable is prepared by the timetable committee as per workload for the academic session.
- Every department prepares a thorough teaching plan that involves the delivery of lectures, tutorials, and practical sessions.
- The Principal addresses the newly admitted students in "Induction Program". This program orients the students about:
 - facilities and welfare schemes available
 - code of conduct and discipline
 - add-on courses
 - extra-curricular activities
- The faculty members take few lectures on the introduction of the curriculum.
- Unit Tests are conducted periodically and its results is displayed and discussed with the students in the class room.
- Periodical meetings of Head of the Departments are held with the Principal to take review and discuss the curriculum delivery.
- Intra-departmental meetings for the review of the teaching, planning of unit tests, seminars etc. are also conducted.
- Assignments, seminars and project are given to the students under the supervision of the faculty.
- Guest lectures of eminent faculty members from other institutions are arranged to give exposure of the current trends and the latest subject knowledge.
- ICT is used for effective teaching by the teachers of various departments.
- The departments organize study tours, excursions, field project and industrial visits for students' exposure to practical knowledge.
- The faculty members promote the use of reference books and e-resources accessible at the institute's Network Resource Centre and INFLIBNET to improve and expand the students' understanding of their subjects.
- Slow and advanced learners are offered additional facilities, such as extra book borrowing privileges and individual counseling sessions.
- End of every semester syllabus completion report is prepared.

Subject: Invitation as a resource person for delivering the lecture to M. Sc. chemistry students...

Dear Sir,

With reference to above mentioned subject to enhance the knowledge of students in organic chemistry, we are glad to invite you as a resource person and requesting to share your ideas and principles in organic chemistry with our M. Sc. students. According to our telephonic talk the detail schedule of the lecture is as below:

Day and Date	Time	Topic
Friday, 12/11/2022	2.00 P.M. to 4.30 P.M.	Reaction Mechanism in Organic Synthesis

We hope you would be able to fit this event in your busy schedule. The students and teachers will benefit a lot from your expertise topic.

Thank with regards

Received

Dr. R. D. Darekar

Subject: Invitation as a resource person for delivering the lecture to M. Sc. chemistry students...

Dear Sir,

With reference to above mentioned subject to enhance the knowledge of students in analytical chemistry, we are glad to invite you as a resource person and requesting to share your ideas and principles in analytical chemistry with our M. Sc. students. According to our telephonic talk the detail schedule of the lecture is as below:

Day and Date	Time	Topic
Friday, 27/01/2023	11.30 A.M. to 1.30 P.M.	Atomic Absorption Spectroscopy

We hope you would be able to fit this event in your busy schedule. The students and teachers will benefit a lot from your expertise topic.

Thank with regards
