Date :

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode.

- Our institution is affiliated to the SPPU, Pune. Hence it is mandatory to follow the internal evaluation process that is prescribed by the university. The University has introduced a revised Choice based credit system (CBCS Pattern) of evaluation for BA/BCom/BSc from the year 2019. Therefore, for BA and Bcom 30 marks and 15 Marks for BSc are allotted for continuous internal assessment. Mid-semester examination, book review, seminar, group discussion, home assignment, test and tutorials, online objective test etc. are conducted by the college.
- The Postgraduate students have semester pattern having 50% marks for internal evaluation and 50% marks for external or University examination.
- 50 marks are allotted for continuous internal assessment of PG Courses. Mid-semesters, book reviews, seminars, group discussions, home assignments, tests and tutorials, online objective tests etc. are conducted by the college.
- Apart from term end examinations and practical, college conducts presentations, projects, orals, tutorials, essay competitions, poster presentations, mock tests etc. for continuous internal evaluation.
- Unit tests are conducted regularly as per the schedule given in academic calendar. The weightage for the unit tests varies as per the concerned faculty. The performance of the students is displayed on the Notice board and communicated to the students.
- Answer sheets are shown to students to provide transparency and accountability in the evaluation process. Students' complaints are promptly addressed. The login accounts of teachers are used to submit online internal marks on the university's internal examination portal. The internal squad is in charge of preventing malpractice in the internal examination.

Continuous Internal Evaluation (CIE): Certain students who were unable to attend the internal examination as scheduled, or who did not get a passing score, are given the opportunity to retake the internal test upon receiving a recommendation from the HOD/Principal.
