## **Response:**

The **College Library, established in 1984**, has undergone significant transformations since its humble beginnings in a small room. Now housed in a spacious, separate building, the library spans **1,852 square feet** and features various sections, including a **Reading Room, Stack Room, Periodical Section, and Network Resource Center**. The library boasts an impressive collection of **27,784 books, comprising 15,059 textbooks, 12,725 reference books, 15 audiobooks, 1,95,809 e-books, 6,793 e-journals & Periodicals, 180 digital data base and CD's and video. N-LIST and e-Shodh Sindhu (Free e-resource)** for the academic and research purpose. The library has **network resource facility, broadband connection and LAN facility**.

The **collection covers a wide range** of subjects, including Languages and Literature, Social Sciences, Humanities, Commerce and Management, Pure and Applied Sciences, Sports, and Fine Arts.

The library is **fully automated through Integrated Library Management Systems (ILMS)** known as **IT Soft Developers static IP based version 2.6.0.5**. It is a highly integrated, user-friendly and compatible system for complete computerization of all the in-house operations such as masters, book management, barcode facility, book accession, membership, circulation, **OPAC (Online Public Access Catalogue)**, catalogues and administration. The IT Soft Developers is OPAC enabled through which users can search books and titles anytime and anywhere. IT Soft Developers is embedded with multilingual fonts, barcode & QR code fonts. The college library has **active subscription of INFLIBNET, N-List consortia** which provide huge data including e-journals, e-books to access the large pool of e-resources and tremendously vast collection of databases.
