Compliance Report for Enriching Academic Programs

Objective:

Provide an education experience focusing on personalized education, skills development, and opportunities for intellectual growth, thereby equipping students with values, skills, and intellectual discipline necessary to contribute positively to society.

Sr. No	Plan	Action Taken	Outcome
1	Qualified Staff	The institution has ensured the availability of qualified and experienced faculty to deliver high-quality education for all programs.	Enhanced the academic quality of the institution and making it a centre for quality education and skill development.
2	Skill-Based and Job-Oriented Programs: Introduction of programs like B. Voc in Electrical Technology.	Successfully introduced the B. Voc program in Electrical Technology, providing students with job-ready skills.	Total 498 students admitted in B.Voc Program in Electrical Technology. and 256 are placed in various sectors.
3	Postgraduate Programs: Proposal to start Master's courses in Chemistry (Analytical Chemistry), Physics and M. Com in Business Administration	Initiated Master's courses in Chemistry (Analytical Chemistry), Physics and M. Com in Business Administration enhancing opportunities for advanced studies.	Started Postgraduate programs Number of students admitted M. Sc (Anly. Chem) =150 M. Sc (Physics)= 107 M. Com=167
4	Admissions Improvement	Implemented an online admission process, ensuring transparency, efficiency, and accessibility for all applicants.	Improved transparency and efficiency in the admissions process, ensuring fair opportunities for all applicants.
5	Departmental Certificate Courses: Introduction of certificate courses to enhance student	Introduced 32 departmental certificate courses aimed at enhancing student learning and engagement in diverse disciplines.	Total number of beneficiaries of all certificate courses is 1109.

	learning and engagement		
6	Student Projects and Competitions: Encouraging student participation in academic projects and events like Avishkar to promote Participative and Experiential learning and innovation.	Encouraged and supported students to participate in events like Avishkar, other resulting in notable engagement and achievements in academic competitions.	Number of students participated in 'AVISHKAR' =186

Compliance Report for Enhancing the Teaching-Learning Experience

Objective:

To improve the quality of teaching and learning by improving ICT-based education, enhancing student support mechanisms, and fostering an inspiring academic environment that ensures overall success and development.

Sr. No	Plan	Action Taken	Outcome
1	ICT Integration in Education: Upgrade classrooms with smartboards, projectors, and high-speed internet.	Installed 14 LCD projectors and Interactive panel to upgrade classrooms. Ensured availability of high-speed internet throughout the campus	Enhanced teaching and learning experience through upgraded ICT infrastructure

2	<p>Resource Accessibility:</p> <p>Ensure availability of eBooks, software, and online databases.</p>	<p>Integrated the library with INFLIBNET, providing access to a wide range of eBooks, research journals, and online databases.</p>	<p>Increased accessibility to high-quality resources and research material.</p>
3	<p>Feedback Mechanism:</p> <p>Implement a system to collect and act on feedback about teaching quality.</p>	<p>Implemented an online feedback system for teaching quality, enabling continuous improvement based on student input.</p>	<p>Strengthened feedback-driven teaching improvements and participative learning methods.</p>
4	<p>Participative and Experiential Learning: Promote hands-on and participative learning through field trips and interactive programs.</p>	<p>Promoted experiential learning by organizing field trips, workshops, and interactive sessions, fostering hands-on learning experiences.</p>	<p>Total 2618 students participated in different programmes.</p>
5	<p>Mentor-Mentee Scheme: Provide personal support to students through a structured mentorship program.</p>	<p>Successfully implemented the mentor-mentee system, offering personalized guidance and support to students for academic and personal issues.</p>	<p>Enhanced passing rates and students' overall growth by providing a positive and encouraging learning environment.</p>
6	<p>Continuous Evaluation:</p> <p>Adopt a continuous internal evaluation system to measure teaching outcomes.</p>	<p>Adopted a continuous internal evaluation system, including regular assessment through assignments and projects to measure teaching effectiveness and student outcomes.</p>	<p>Improved student engagement, academic performance, and overall satisfaction.</p>

7	Faculty Development: Motivate faculty members to pursue higher qualifications like Ph.D. and participate in faculty development programs.	Encouraged faculty to acquire higher qualifications such as Ph.D. and participate in faculty development programs, enhancing their professional growth.	Encouraged academic members to advance their education and careers. Number of FDP=108 Ph. D=19
